EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the specification:

In the specification, page 1, section [0001], after "2002" insert -- ,US PATENT 6,717,892--.

Prior Art Citation

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Watanabe (6,341,107) and Chan (US 2003/0031097), both disclose an apparatus for controlling the speed of the pickup head having the ability of controlling the driving device according to an error signal received by the pickup head.

Reasons For Allowance

The following is an Examiner's Statement of Reasons for Allowance:

The prior art of record alone or in combination does not teach or suggest the apparatus and method having the combination of elements and steps with their recited structure and process, along with the specific structure and process of: the section having an adaptive compensator for driving the device according to an error signal received by the pickup head as to drive the actuator of the pickup head away from the non-linear region of a predetermined range of the sled, as set forth in claims 1-6; and the section for determining an adjustable supplementary force according to the reflected signal from focusing error, and adding up the adjustable supplemental force to adjust position of the pickup head for reducing a run-out effect of the disk, as set forth in claims 7-8.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to MUHAMMAD N. EDUN whose telephone number is 571-272-7617. The examiner can normally be reached on FLEXTIME.
